SENIORS

C/O 2021!

Dear Weequahic Graduate:

I am pleased to be able to provide a few words and share some of my thoughts with you on your last days at Weequahic High School. As you prepare to move up the college and career ladder, it is natural to think a little bit about your experiences in high school. You have worked hard and accomplished much in your time here.

You have mastered how to read and write; you have become proficient at math, learned how to think like a scientist, and have become acquainted with many of the world's regions, customs and history in your social studies lessons. You have created beautiful pieces of art, performed musically, and learned much about physical fitness and wellness. You participated in science fairs, TriMATHalons, pre-college programs, internships, virtual learning, donated hats, scarves and gloves, collected soap and canned goods galore and have fed the homeless in our city.

Along the way, you have made new friends and have been taught by many wonderful teachers.

Most importantly, I think you have learned what it means to be responsible and respectful young women and young men-good citizens of your Newark community.

No matter what subjects your teachers taught you over the years, what they were most concerned about was helping each one of you become the person you could be.

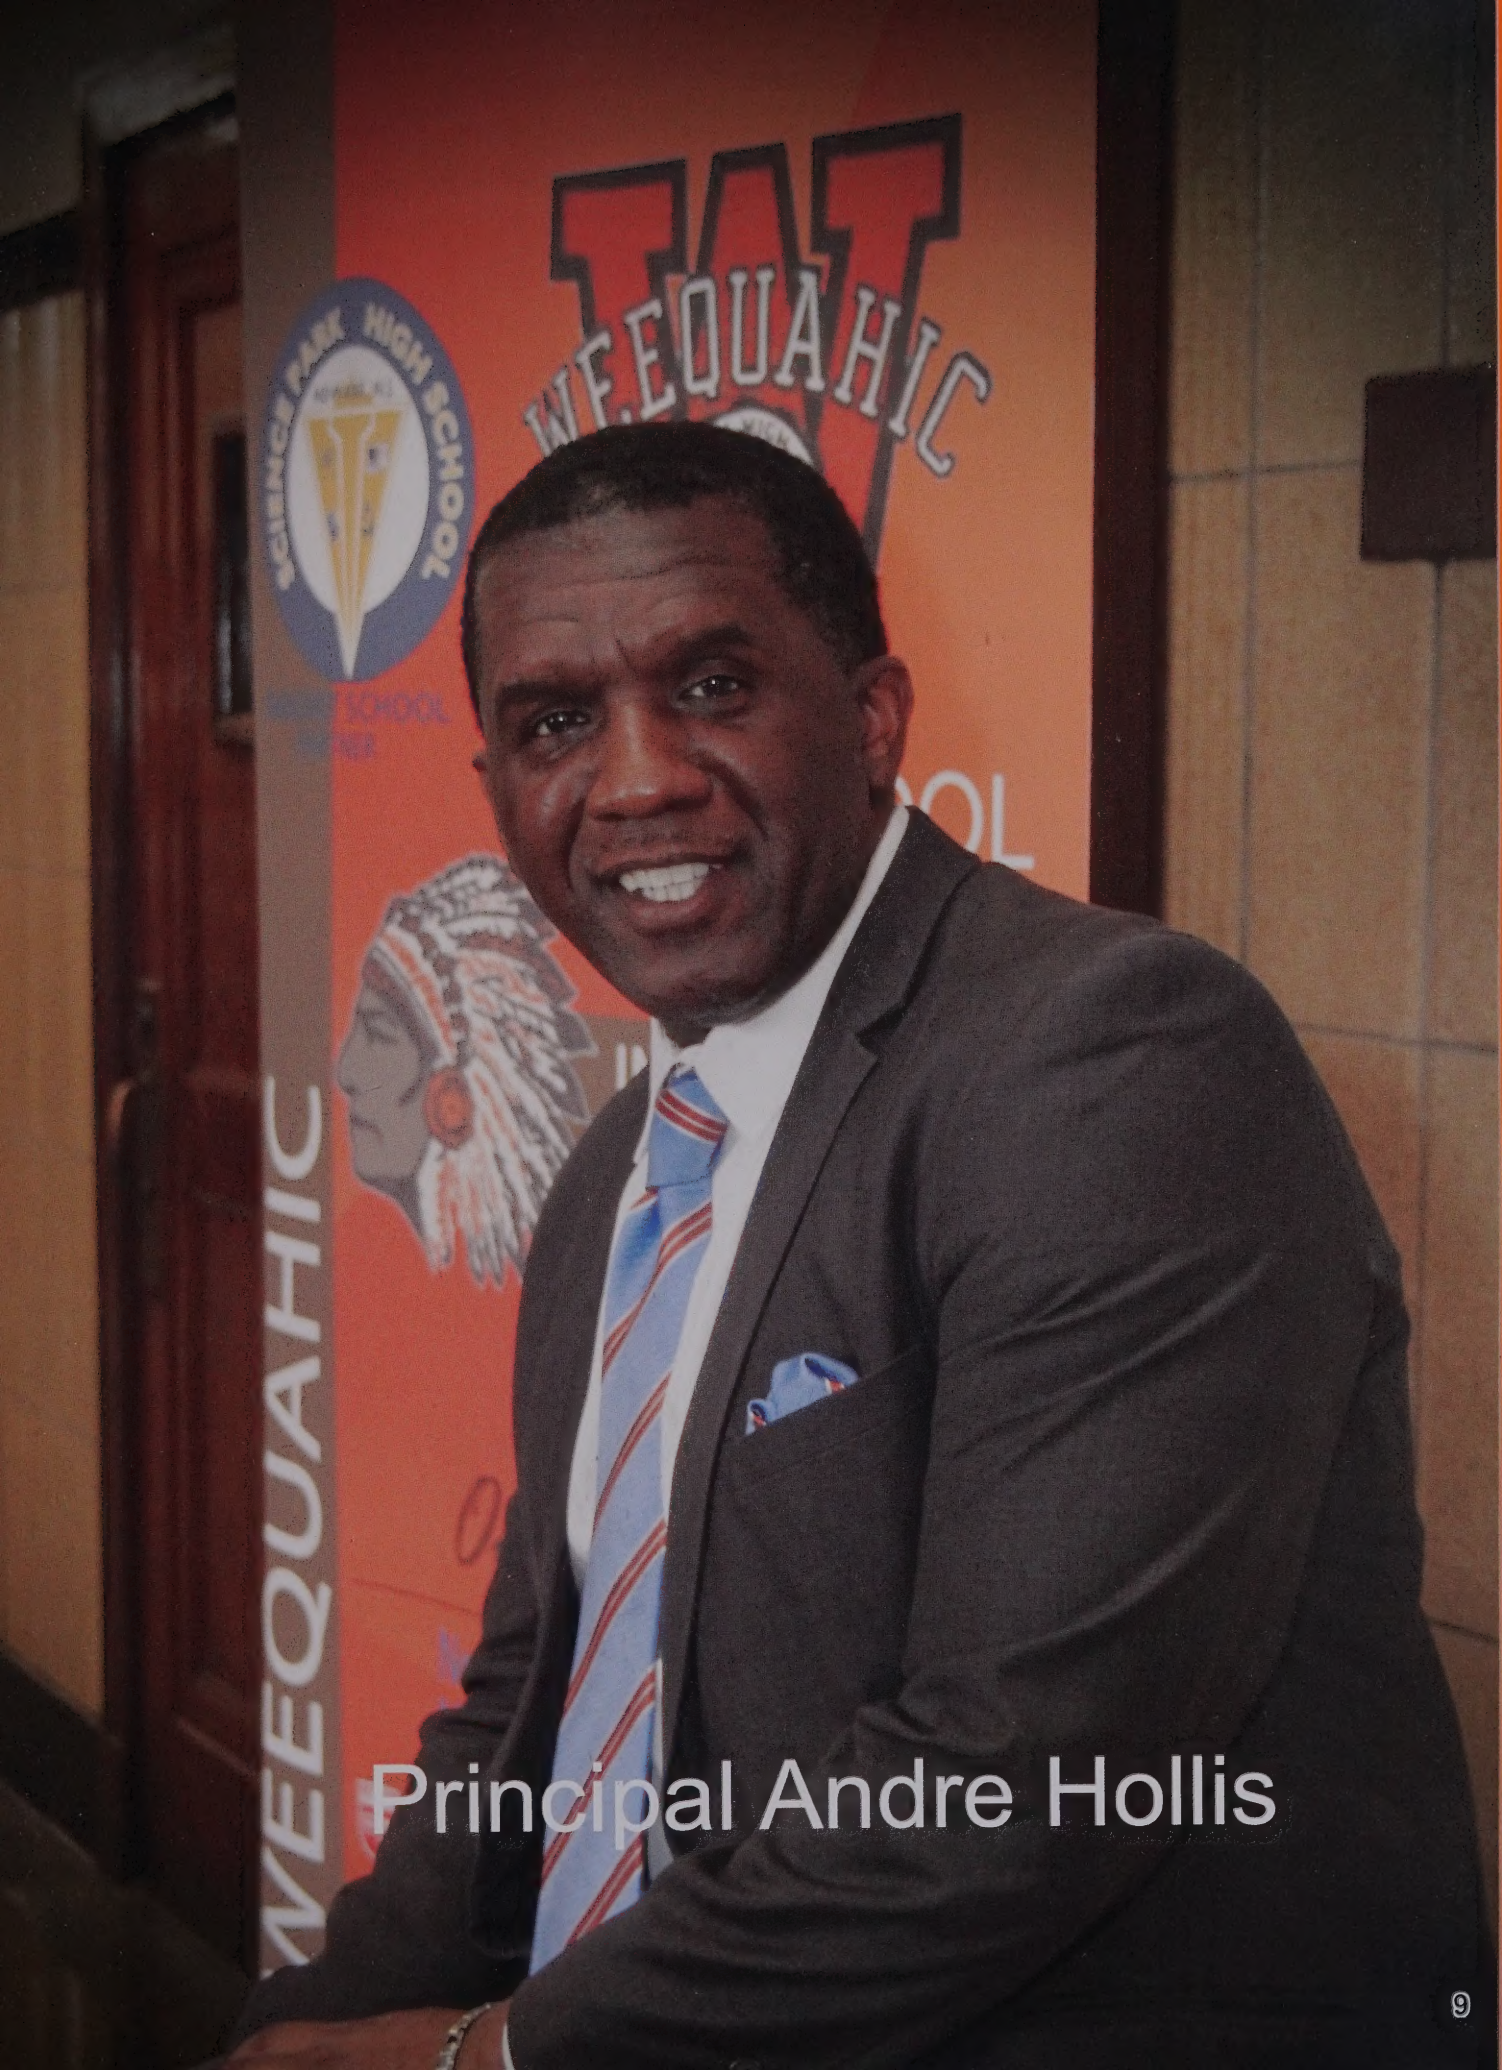

Our job here is done at Weequahic High School; for we have taught you all that we have with the time and the days we were given to teach you-for the most part- you have learned our lessons well.

WORK HARD. Things won't always come easily to you, and they shouldn't. What is worth learning is worth working hard for. Don't let frustration get the best of you.-PERSEVERE, ask for help, and keep trying. The payoff will be great. I salute each and every one of you.

Sincerely,

Your Principal

Election 2020

Joseph Biden, Jr. won the November 2020 Presidential Election with 306 electoral votes. Biden launched his campaign for President of the United States on April 25, 2019 and announced U.S. Senator Kamala Harris as his running mate on August 11, 2020. Harris is the first Black woman and person of South Asian descent to serve as Vice President.

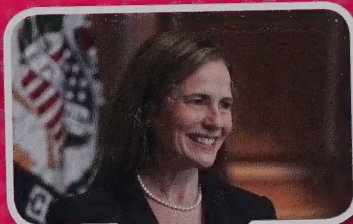

Covid-19 World Wide Pandemic

Coronavirus disease 2019 (COVID-19) is a contagious disease caused by severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2). The first case was identified in Wuhan, China, in December 2019. It has since spread worldwide, leading to an ongoing pandemic.

Beirut, Lebanon was hit by a massive explosion on August 4, 2020, resulting in 204 deaths and 7500 injuries.

The Neowise comet was the brightest comet to pass Earth since the Halle-Bopp Comet in 1997. Neowise was one of the few comets visible to the unaided eye this century.

California saw its worst year of wild fires. As of the end of the year, nearly 10,000 fires had burned.

Amy Coney Barrett replaced the late Ruth Bader Ginsburg. She is the fifth woman to serve on the Supreme Court of the US.

SpaceX Astronauts

NASA's commercial crew program finally saw its first crewed flights. In May, SpaceX's Demo-2 successfully sent two astronauts to the International Space Station on a crewed test flight that lasted three months.

RIP RBG

Ruth Bader Ginsburg died on September 18, 2020, at her home in Washington, D.C. She was a U.S. Supreme Court justice, the second woman to be appointed to the position.
